

Corporate Partnerships

Corporate partnerships support CHA's mission to advance innovation in the quality, cost, and delivery of care for children's hospitals. CHA welcomes inquiries from potential partners with corporate social responsibility and philanthropy programs to provide in-kind donations of products or services, including grantmaking that directly benefits children's hospitals and health systems, and the communities they serve.

Free toys and books

- [Little Bricks Charity](#) – A nonprofit delivering free LEGO sets to children's hospitals. Deliveries based on availability. [Contact Little Bricks Charity](#) for more information.
- [Comic Books for Kids](#) – Comic books, manga, graphic novels, books, games, Funko dolls, toys, coloring books and more.
- [Starlight Children's Foundation](#) – Delivering happiness to seriously ill kids and their families. Starlight's free programs are carefully crafted to address the unique needs of children in hospitals.
- [Toy Bank Network](#) – Toys for nonprofits.
- [The Crayon Initiative](#) – Provides free crayons to children in the hospital.
- [Spread the Joy](#) – Provides a collection of free activity books, games and art supplies in each Joy Box, a simple, genuine and small act of kindness to lift a child's spirits. [Order at Joy Box.](#)
- [Puppy Dogs and Ice Cream Publishing](#) – Award winning children's books. [Use this link](#) to complete a donation form for free books.

Free technology and video games

- [Child's Play Charity](#) – Delivers therapeutic games and technology directly to pediatric hospitals to improve patients' lives through the power of play.
- [Gamers Outreach](#) – Equips nurses and child life specialists with the means to make activities and technology accessible. Email for more information.
- [Dunkin Connecting Joy](#) – Provides hospitals with grant funding to bring gaming experiences to their pediatric patients.
- [My Special Aflac Duck](#) – Robotic-augmented reality duck. Available for cancer and sickle cell patients only.

Other opportunities

- [The Society of American Magicians](#) – Offers volunteer hospital training programs and a website with 50 magic performances for free use and download. [Contact Hank Feinberg](#) for more information.
- [Emotional ABCs](#) – Nationwide giveaway of 90 patient logins and 6 instructor logins for children's hospitals to access America's most awarded online emotional regulation and social skills program. Learn more about the [free offer](#). [Contact Ross Brodie](#) for more information.
- [Project Sunshine](#) – Adaptable, research-based programming, games and activities led by trained, vetted volunteers on a HIPAA-compliant Zoom platform. Developed by certified child life specialists and geared to engage hospitalized children facing isolation and emotional distress.
- [Dogs for Joy](#) – Grants for in-residence therapy dog programs at your hospital.
- [Canines and Kids: Project Hearts and Tails](#) – Cuddly stuffed black lab pups and copies of "We'll Get Through This Together!" capturing how a dog's unconditional love, comfort and friendship help children get through scary, sometimes lonely and difficult, times along the cancer treatment journey.
