

The leading
learning solution
exclusively for
pediatric professionals

Children's Hospital Association

Children's Hospital Association

Foundations for Emerging Leaders

These online resources provide foundational topics that focus on the professional development of front-line leaders and those in informal leadership roles such as preceptors and charge nurses. Additional resources are also available that combine the online learning with interactive classroom and workplace experiences and competencies targeting coaching and communication skills. In addition, you can add organization-specific information and policies to online topics, creating a personalized solution.
